# THE SECURITY EVENT

## THE UK'S NO.1 COMMERCIAL, ENTERPRISE, AND DOMESTIC SECURITY EVENT

Returning to NEC Birmingham for its fifth industry-leading edition, The Security Event is back for 2024! Uniting the entire security sector to experience the next generation of security innovation and insights, this year's event is set to bring even more exclusive products and solutions. You'll access 70+ hours of accredited CPD content, live demonstrations and workshops, and a host of unrivalled networking opportunities across three packed days. Covering the full security chain from manufacturers, distributors, installers, integrators and end users, this is an event you do not want to miss!

**350+**  
World-leading manufacturers and suppliers

Accredited  
**CPD**  
content

**14,000+**  
Security professionals

**4**  
Co-located events

## WHY VISIT?

Join 14,000+ professionals and be part of the UK's largest security community.

Discover innovative new products and solutions for all of your future security projects and requirements.

Gain practical know-how and expert advice on implementation of security on how to tackle your security challenges.

Access ground-breaking accredited CPD content from leading industry experts and keynote speakers.

Exclusive networking opportunities to meet with your peers and expand your professional network

**FREE PARKING** – saving you time and money by giving you the flexibility to travel to and from the event on the same day.

REGISTER FOR YOUR FREE PASS: [WWW.THESECURITYEVENT.CO.UK/PREVIEW-2024](http://WWW.THESECURITYEVENT.CO.UK/PREVIEW-2024)

## NETWORKING OPPORTUNITIES

THE SECURITY  
INSTITUTE

### NETWORKING LOUNGE

We have partnered with The Security Institute to bring you the perfect environment to meet with other members and guests to share your experiences, grow your network and keep your knowledge current. Speak to their team to find out more about how you can be part of the community.

### END OF DAY NETWORKING DRINKS

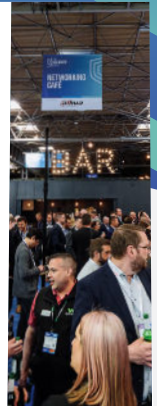

Day 1 Sponsored by

**SALTO** WIRELESS SECURITY **WIECOSYSTEM**

Day 2 Sponsored by

Back by popular demand, join us from 16:00 at the end of day 1 and 2 of the show for our hugely popular reception drinks. Meet with your peers, colleagues and friends in an informal setting and enjoy a glass or two of wine, beer or juice – it's on us!

### NETWORKING LOUNGE

ASIS is a global network of 34,000 passionate members who together are driving industry standards & guidelines, specialised training, and certifications to advance security worldwide. Connect in meaningful ways and build a powerful network of support by taking a visit to their networking lounge.

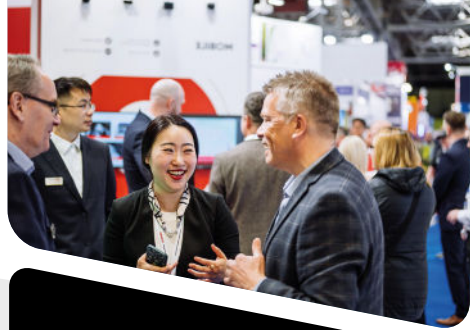

## CONNECT+ LIVE

### HOSTED MEETINGS PROGRAMME

Returning for 2024, make the most of your time out of your working hours through the CONNECT+ Live hosted meetings programme. Matching your buying requirements and needs with a carefully-curated sample of exhibitors, the CONNECT+ Live team of matchmaking experts will fast-track your access to key suppliers and integrators.

# NEW FOR 2024

In association with

Offering an immersive and interactive zone dedicated to the security engineers of tomorrow, join us for the WorldSkills UK National Qualifiers and cheer on security trainees as they take part in technical specification contests. Watch as the apprentices test their working knowledge of system standards as well as their ability to identify and solve problems faced on a day-to-day basis as engineers, see the next generation of security professionals in action!

**SECURITY &  
SAFETY  
ENTREPRENEUR  
AWARDS**

The Security & Safety Entrepreneur Awards (SSEAs) recognise and celebrate entrepreneurs in start-ups and established businesses who are making significant contributions to the field of protecting people, organisations, places and other assets. Join us at 1pm on Day 1 at the Main Stage in the Networking Cafe to celebrate the winners and next generation of security leaders.

In association with

**LPCB®**

The Loss Prevention Certification Board (LPCB) is set to debut its cutting-edge Live Testing Lab at The Security Event. The LPCB Live Testing Lab will provide visitors with a unique opportunity to witness a team of professional forced entry specialists engaging with a diverse range of physical security products. From windows to fencing and door sets, the live demonstrations will showcase the resilience and effectiveness of these products in the face of simulated intrusion scenarios.

## THE MAIN STAGE: DISTRIBUTOR'S NETWORK

In association with

Designed to recognise and elevate the pivotal role of security distributors in the UK's buying chain. Major fire and security distributors offer their expertise and guidance on critical challenges, with questions chosen by you. Topics include enhancing distributor-customer synergy, integrating cutting-edge technology, navigating regulatory compliance, ensuring supply chain resilience, and analysing market trends.
